National Women's Convention October 19 - 20 Mother Clara Graham General Mother

Our theme, "Moving Forward into a Season of Newness," speaks of more than just change; it speaks to transformation.

Just as the seasons shift, bringing new colors, new growth, and new energy, so too does this moment invite us to renew our minds, refresh our spirits, and reimagine what is possible. This year is not just another gathering; it is the beginning of a journey where we choose progress over comfort, courage over fear, and faith over doubt.

As we move forward together, let us carry with us the lessons of the past, the strength of our shared experiences, and the excitement of what's to come. May this season of newness inspire us to dream bigger, work harder, serve more, and love deeper!

National Men's Department October 22 Elder Anthony Williams President

Empowered to Pursue, Equipped to Win

To our National Men's Department—brothers, we have been sanctioned by the Holy Spirit to pursue and to win. Like David, we find ourselves in a battle for our vision, our dreams, and our God-given purpose. But we do not fight in our own strength. We stand in the strength of God, fully equipped to pursue everything He has declared over our circumstances. Let us take a bold step of faith according to Hebrews 11:1. We are not alone—God is with us. Pursue with courage. Fight with strategy. Win by faith.
